SUBJECT: Approval to Advertise Bids - Fence at Seely Ditch

At the regularly scheduled council meeting held June 21, 1982, the City Council adopted the Montebello/Montecine Easement titled "SEELY DITCH MAINTENANCE EASEMENT." Item #2 of the easement states " 2) A chain link fence 6 ft. high shall be constructed by the Grantee at the Grantees sole expense as close to the west top of bank of Seely Ditch as possible, given consideration for erosion susceptibility. The fence shall be constructed in the north south direction the full lenth of the property for 570' (Montebello Agreement) 410' (Montecino Agreement). Total length of fence is 980 lineal feet.

In order to carry this part of the agreement through the fence can either be a change order to the project or bid seperately under the provisions of the Seely Ditch Project. By bidding the project seperately, preliminary estimates indicate a possible savings from \$3,000 - \$5,000 from the original bid of \$11,169.00 by Ames Construction for Change Order #1.

Recommendation

1. Approve the plans and specifications as submitted for the construction of the Seely Ditch Fence.
2. Approve staff to advertise the Seely Ditch Fence for bids.
