CITY OF WILSONVILLE

The Honorable William E. Stark
Mayor of Wilsonville
P. O. Box 220
Wilsonville, OR 97070

Dear Mayor Stark:

Thank you for participating in the "kick off" meeting to update the regional Solid Waste Management Plan. I was pleased to see so many of you present.

The structure proposed to complete our task is similar to the model used for regional transportation planning. Formation of two committees is proposed: a policy committee composed of elected and appointed officials and a technical task force composed of engineers, public works representatives, land use planners, haulers and citizens. As proposed, the policy committee would make recommendations on regional solid waste issues to the Metro Council. The draft work program calls for these groups to be formed by mid-July.

I am asking all jurisdictions within the tri-county area to adopt a resolution supporting the process to update the regional Solid Waste Management Plan and to provide representatives to participate in development of the Plan. A sample resolution is attached for your consideration. My staff will be contacting you to offer their assistance.

I look forward to launching this project and meeting with you or your representatives. We are beginning an exciting partnership to solve the region's solid waste issues. If you have any questions please call me or have your staff contact Becky Crockett or Randi Wexler at 221-1646.

Sincerely,
