COMMUNITY DEVELOPMENT DEPARTMENT

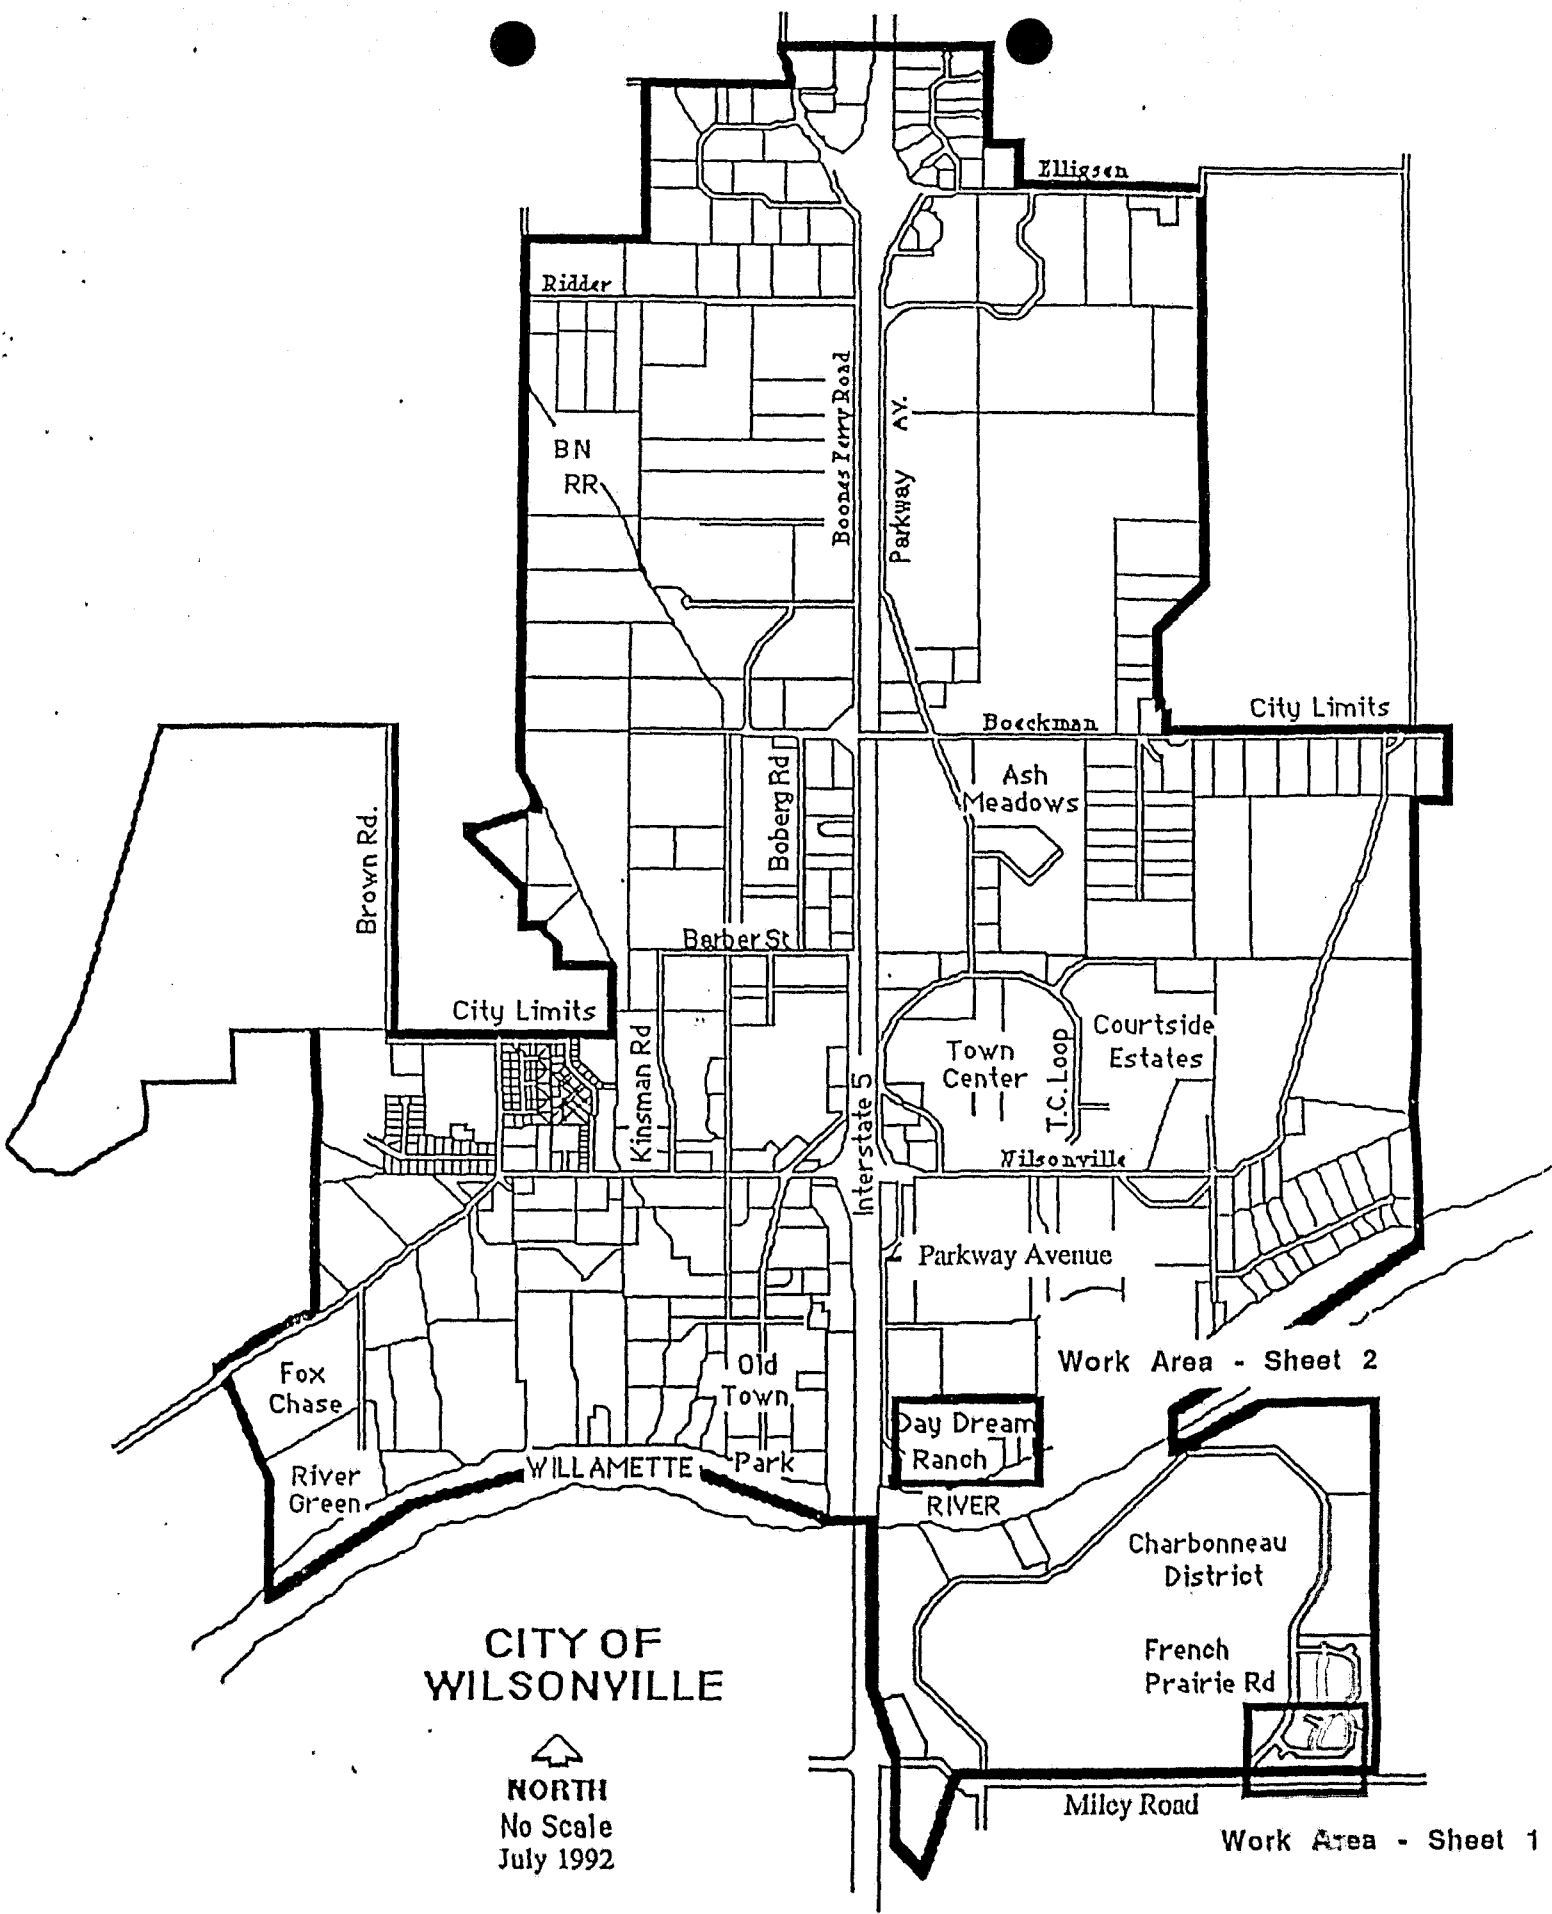

MEMORANDUM

DATE: SEPTEMBER 2, 1992
TO: ARLENE LOBLE, CITY MANAGER
FROM: ELDON R. JOHANSEN
COMMUNITY DEVELOPMENT DIRECTOR/CITY ENGINEER
RE: RESOLUTION APPROVING THE BID PROCESS, ACCEPTING THE
LOW QUALIFIED BID, AWARDING THE CONTRACT TO THE LOW
QUALIFIED BIDDER, VERIFYING FUND AVAILABILITY AND
AUTHORIZING THE EXPENDITURE FUNDS FOR THE PROJECT
KNOWN AS THE CITY OF WILSONVILLE SLURRY SEAL PROJECT

The 1992-93 budget includes \$135,000 for slurry seal on Molalla Bend Road, Willamette Way East and Wilson Street. The Wilsonville Road (Day Dream Ranch Subdivision) and the Molalla Bend Road conditions are appropriate for use of slurry seal. These projects are included in the slurry seal project. The condition of Willamette Way East has deteriorated so that a slurry seal would not be effective. Staff has deleted this street on the slurry seal project and will plan to include it along with the Boones Ferry Road overlay and widening project next spring.

The Public Affairs Director/Ombudsman has prepared a press release concerning the slurry seal project. As soon as Council approves award of the slurry seal project, staff will do a mailing to each of the property owners adjacent to the streets which will be included in the slurry seal program. This mailing will further identify the slurry seal project areas and the impact of slurry seal on the streets and the adjacent property owners. Forty-eight hours prior to construction, the contractor will notify the property owners of the specific time and location for the slurry seal.
