

**RESOLUTION NO. 1263**

**A RESOLUTION RESCINDING RESOLUTION NO. 1242 AND AMENDING RESOLUTION NO. 1087, WHICH ESTABLISHES RATES FOR GARBAGE COLLECTION IN THE CITY OF WILSONVILLE.**

WHEREAS, on February 5, 1996, the Wilsonville City Council adopted Resolution No. 1242, which deleted what appeared to be conflicting and confusing language from Resolution No. 1087, a resolution establishing rates for garbage collection in the city; and

WHEREAS, the city's franchised garbage hauler, United Disposal Service, subsequently pointed out that portions of the deleted language should have been clarified but left in place;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF WILSONVILLE RESOLVES AS FOLLOWS:

1. Resolution No. 1242 is hereby rescinded; and
2. Section V of exhibit A of Resolution No. 1087 is amended to read as follows:

V. DROP BOX RATES

A. LOOSE MATERIAL

Drop box rates shall be the following rates plus 103% of disposal fees. The disposal fee includes all fees charged by the disposal facility. The rates are as follows:

BOX SIZE	RATE
10 yard	\$74.00
20 yard	\$74.00
30 yard	\$111.00
40 yard	\$128.00

B. COMPACTED MATERIAL

1. For compacted material, the charge shall be \$5.90 per yard plus the cost of disposal if the customer furnishes the compactor drop box.

2. For a 15-yard or smaller drop box or a compactor of any kind that must be hauled to the disposal site and returned to the customer, the service fee shall be \$72.95 plus 103% of disposal fees.

3. Before acquiring a compactor, customers must make certain the compactor to be acquired is compatible with the equipment of the hauler or the equipment the collector is willing and able to acquire. All equipment must comply with Workers Compensation Board regulations.

4. If the collector agrees to furnish the compactor, the rental fee shall be the current rate the collector would pay on a lease-purchase.

C. ADDITIONAL CHARGES

1. The delivery fee for a drop box shall be \$15.00. A \$10.00 fee per haul shall be charged for drop boxes that are screened. The cost of disposal and franchise fee on disposal shall be charged in addition to the yardage and rental charges.

2. Mileage charges shall be \$1.55 per mile for over 30 miles round trip to the disposal site (based on the point of pick-up to the point of disposal) and for over 18 miles of truck operation from where the truck is stationed for the occasional customer or the repeat customer requiring service at different times.

3. The rental rate for a drop box for loose material shall be \$5.00 per day after 48 hours on site or \$50.70 per month, whichever is less, if less than one load per week is hauled. For boxes left on an occasional basis, there shall be a rental charge of \$5.45 per day after 48 hours on site.
